## HISTORY OF THE CHURCH.

---

The first sermon was preached in Bluffton about the middle of November, 1838, under the oak tree on the banks of the Wabash River at the north end of Johnson street.

The preacher was Rev. George W. Bowers, a young man of twenty-five, who the year before had been commissioned by some bishop to go and preach in the wilds of Indiana.

After listening to his message the people banded themselves together, forming a society which was the beginning of the First Methodist Episcopal Church of Bluffton.

It was a very small beginning, but it grew into the large congregation of today. For the first few years the services were held in the homes of the people.

In 1847 the congregation built their first church edifice. This was a little frame building. It was the home of our people until October 13, 1872, when the present structure was built and dedicated by Bishop Thomas Bowman. Years after, the present building was remodeled and made more commodious.

The church has grown rapidly until today it is one of the leading churches in our conferences. It now has a membership of 1018. The outlook for a greater church is promising.
